

## EMERGENCY VEHICLE POLICY

## Policy

Due to the enforcement nature of certain Department of Game and Fish activity, it is necessary to mark certain vehicles with emergency equipment. Vehicles, if classed as emergency, must have in them a letter from the Director authorizing the use of the vehicle for emergency purposes. Vehicles will be marked with equipment provided by the Department.

It is the policy of the Department of Game and Fish to maintain emergency vehicles in accordance with the following guidelines. It is the intent of this policy to maintain a uniform fleet.

1. Vehicles assigned to area chiefs, area specialists, and district wildlife officers are to be marked with emergency equipment and maintained as such.
2. Vehicles assigned to other commissioned officers may be marked as emergency vehicles at the officer's discretion. Marking for this purpose may include the use of magnetic red lights that would be displayed during enforcement activity.

All emergency equipment will be mounted on the vehicle as prescribed by the Director.
